UIPM 2021 Pentathlon World Cup Budapest, HUNGARY 24 - 28 March 2021

Dear Delegations,

This is to inform you about the current (today's) regulations and restrictions regarding the COVID-19 case made by the Hungarian Government. It is needed to be underlined, that the information listed below comply with the policy of the UIPM and created based on the actual regulations.

ENTERING TO HUNGARY

1 negative PCR test is needed Based on the Government Decree 408/2020.

https://njt.hu/translated/doc/J2020R0408K_20200921_FIN.pdf

(Please see the 7. point 12§ (2))

We strictly and kindly ask you to send all PCR test results to the below 3 emails with original digital signature:

karman.sandor@pentathlon.hu

csaszari.zsofi@pentathlon.hu

hmpa@pentathlon.hu

Delegations coming by their own vehicle (bus, car) need to send their negative test results before accreditation, prior to their arrival. Without the sent information accreditation process can't be finalized. In case they are not able to present their test result, their registration to the competition will be cancelled.

We highly recommend to print out the „Competition Conditions” which they may ask at the border and/or at the airport.

Just click on the link and download it!

https://www.uipmworld.org/sites/default/files/invitation_wc_budapest_2021.pdf

In case personal invitation is needed (one where the LOC invites the delegations by names) please send your request to csaszari.zsofi@pentathlon.hu with names, dates of birth and passport numbers.

AIRPORT TRANSFER

Based on a great and positive experience the LOC uses MINIBUD company to provide transfer service for the delegations coming to the UIPM 2021 Pentathlon World Cup. **At the airport search for the MINIBUD sign, and helpdesk, they will assist you.** As a general rule, only one delegation from the same nation can be seated in one minivan of maximum 5-6 people.

Official Address :
Stade Louis II – Entrée E
13 avenue des Castelans
MC-98000 Monaco
Tel : + 377 97 77 85 55
Fax : + 377 97 77 85 50
uipm@pentathlon.org
www.pentathlon.org

ARRIVAL TO THE HOTEL

At arrival to the Official Hotel all members of the delegation (athletes, coaches...etc.) need to be tested, **on their own cost**. At the same time, they agree and confirm that all personal data and test result will also be sent to the LOC.

Antigen quick tests are made at the COVID Test Center in Hotel Verdi. For further information about the exact fee of the Covid test, see below at the Covid Test Center part.

Accreditation process can only be finalized in case we have received the negative PCR test results (must be also shown at the border) and the quick antigen test has already been made with a negative test result.

TRANSFER BETWEEN THE VENUES

The LOC provides adequate number of buses to transfer the delegations from hotel to the venues and between the venues. The buses will start at the same time (maximum 5 minutes delay) with a maximum 30 people on board. The number of people on the bus will be controlled and seats can be occupied on the first come first serve basis.

ACCREDITATION

The Accreditation Office will be located in the Official Hotel. The number of persons allowed to enter at the same time is minimized to one person/delegation. It will be controlled by the Security Service.

It is kindly asked to nominate one Head of Delegation. This person will be responsible for the acts and the daily routine of the whole team. The nominated persons and athletes need to sign a written confirmation at accreditation.

TECHNICAL MEETINGS

Only one person from each nation can be present. If the number of attending people exceeds the one/nation limit, the LOC has the right to ask them to immediately leave the room of the Technical Meeting, unless the venue offers enough space to accommodate two delegation members per nation.

COMPETITION

In case any of the team members break the rules and leave the hotel for unofficial reasons (official reasons are competition or training):

- all emerging costs will be worn by the trespasser delegations
- LOC is not able to make any refund

On female competition days only female athletes can stay at the competition venues, and on male competition days, only male athletes can be at the competition venues. This regulation also applies to those athletes who couldn't make it to the final. The presence on final days of any athlete not passing the qualification round, is not at all allowed, at the venue.

Training sessions will be assigned independently from the competition days.

COVID TEST CENTER

While waiting for testing the usage of FFP2 mask is highly recommended. The LOC will establish a „COVID Test Center” in the Official Hotel, operating daily from 06:30-9:00. The aim of the Test Center is to ease the delegations to fulfill their own requirements when leaving Hungary and returning home.
